

SALOON GUTTED.

House Probably Burglarized And Then Set on Fire.

About 3 o'clock yesterday morning P'Pool & Davis' saloon on West Seventh street was discovered in flames and the building was soon gutted. Members of the fire department were on hand in a few minutes after the alarm was turned in and succeeded in preventing a spread of the flames. The fire started near the center of the building and it is thought the house was burglarized and set on fire.

P'Pool & Davis estimate their loss at about \$2,000. They had \$1,500 insurance with Higgins & Son. The building is owned by Mr. W. T. Williamson, and was damaged probably to the extent of about \$500. Mr. Williamson is fully insured.

The Schumann Grand Concert Company Delights a Goldsboro Audience.

Without ostentation, and with the nameless grace that only true refinement and innate self-appreciation can give, the ladies constituting this company—they are all women—rendered their delightful programme last night in such easy manner as of itself to mark them true artists.—Argus, Goldsboro, N.
